**DELEGATION OF ALLOCATION AUTHORITY**  
**LOCAL ASSISTANCE ALLOCATIONS FOR PROJECT DEVELOPMENT COMPONENTS**  
**OF LOCAL GRANT PROJECTS**  
**RESOLUTION G-01-03 ALLOCATIONS**

**BACKGROUND**

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-03 for Project Development Components of Local Grant projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These Project Development Cost projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a monthly basis consistent with Resolution G-01-03.

**SUMMARY**

Pursuant to the authority granted by Resolution G-01-03, the Department made four allocations totaling \$308,000, for project development components of four local grant projects. No allocations were made subject to the provisions of AB 872, which establishes reimbursement effective dates up to 12 months prior to the allocation dates.

Two allocations were made for projects programmed in Fiscal Year (FY) 2001-2002 and two were made for projects programmed in Fiscal Year (FY) 2000-2001. The attached list provides details of the allocations.

As of this report, \$9,168,000 has been allocated in FY 2001-2002. Of this amount, \$3,728,000 is for projects programmed in FY 2001-2002. Another \$4,257,000 is for projects programmed in FY 1999-2000 that received a time extension and \$1,160,000 is for projects programmed in FY 2000-2001 that received a time extension. Advance allocations totaling \$23,000 were made for projects programmed in FY 2002-2003.

As of this report, \$171,000 has been allocated in FY 2002-2003. Of this amount, \$150,000 is for a project programmed in FY 2001-2002 and \$21,000 is for a project programmed in 2000-2001.
